Dear Parents and Carers,

Our sports week is fast approaching (week beginning 18<sup>th</sup> July) and we have organised a range of different sports for all our children to take part in. This week will include street dance, circus skills, fencing, football, rugby, martial arts as well as our sports day on Wednesday 20<sup>th</sup> July.

As part of this week, all our children will be taking part in a fun run on Monday 18<sup>th</sup> July in aid of raising awareness of Batten's Disease. This charity is so close to the hearts of Grange Infant School with one of our own pupils having the disease. This is her last term with the school and we do want to make it a special one for her. We have attached a sponsorship form, if you do want to raise funds for this but this is completely voluntary. Any form of sponsorship is most gratefully received, and all money raised will go to the Batten's Disease charity who support families with children with the disease.

If you do want to support the school and families with children Batten's Disease, please complete the attached sponsorship form and send both the form and funds raised back to the school by Wednesday 20<sup>th</sup> July. Again, this is completely voluntary.

Thank you for your continued support

Mrs Elly Rushen-Gough  
Principal  
Grange Infant School
