Dear Parents and Carers,

Teach Your Monster to Read

As a school we have introduced a new, exciting reading app which your child will benefit from if they can play at home. It's free to play on a PC and laptop, or you can download the *Teach Your Monster to Read* app from the app store on phones and tablets.

To play on the website, visit teachyourmonstertoread.com and start playing in seconds. See your child's reading record for individual login details.

More about the game

Teach Your Monster to Read is a series of online games which helps children learn to read in a fun and interactive way.

The games develop children's speed and accuracy of letter recognition by taking them on a fantastic adventure through magical worlds where they meet island kings and collect letters to win prizes. Children adopt and customise a monster, who they guide through the learning process.

If you have any questions, please don't hesitate to contact me.

Many Thanks,

Mrs Rudman
