

# Grange Infant School

Date: 19.04.2023

Dear Parents/ Carers,

## **School Placement**

We are delighted that you and your child have accepted a place at Grange Infant School. We cannot wait to meet you all and for you all to start in September.

Our fabulous EYFS team are working hard behind the scenes to make sure your children have the best possible start to their school life with us in September and more information will be coming out to you over the course of the next 2 terms.

We would love to invite you to join us in school on a couple of days in smaller groups so that you and your child can meet their new classmates and teachers. These are the dates for your dates:

29<sup>th</sup> June – 1 hour slots in a small group of up to 10 children and 1 parent

30<sup>th</sup> June – 1 hour slots in a small group of up to 10 children and 1 parent

3<sup>rd</sup> July – a hour and a half slot – small group of up to 15 children and 1 parent. This session will be half in the classroom and then the EYFS lead and teachers will hold a presentation for you about expectations and the academic year ahead.

We will send out more information regarding your time slots for each day as soon as we have held our transition meetings with your child's nursery.

In the coming weeks we will send out induction packs with key information and forms which we will need returning to school. We will use the email, phone numbers and postal addresses you have provided the Local Authority with when you applied for a school place. As soon as you get this information please can you complete and return by email to [admin@grange-inf.swindon.sch.uk](mailto:admin@grange-inf.swindon.sch.uk). We monitor this email very closely. As soon as this information is ready we can start to populate our school system with your child's details ready for September.

You can also use this email if you have any questions you would like answering in the meantime. Our fabulous admin team will be able to pass on your email to the most appropriate person to answer your questions. Our EYFS team, safeguarding team, SENDCo and obviously myself as Principal, will be happy to assist you in any way we can.

We are extremely proud of how closely we work with our families to support the education and well-being of our pupils. A number of us have our own children who started school this year or are starting school in September so we fully appreciate and understand the types of questions or concerns you might have. We will give every effort to helping your child settle into school life as quickly and as happily as we can.
