Dear Parents and Carers,

As the last day of term is coming to an end, I wanted to celebrate each and every child in school. They have all shone brightly in their classrooms and the improvement from their previous year can already be seen. The beauty of our curriculum is that it is 'spiral' and therefore, any gaps in the children's learning from the last two years, can be addressed through our revisit and revise sessions.

Parents Evening

We hope that these sessions have been informative for you and that you have been able to see just how wonderfully your children have done. Please congratulate your children on their achievements - they have been awesome! If you do require any follow-up sessions, please do speak with your class teachers to arrange these.

Key dates for next term:

Further information will be coming out for parents about some of these.

Monday 1st November - TD day.

Tuesday 2nd November - Start of term 2.

Tuesday 2nd November - FOG firework night.

Tuesday 2nd November - Year 2 Campfire experience.

Friday 17th December - Christmas party day and last day of term.

Parent workshops

Next term we will be holding Math workshops for parents. More information about these will come out at the start of next term. These workshops are designed so parents can learn about how we teach our children during Math sessions and then be able to see it working in action with your child in the classroom. These will be subject to any new COVID restrictions in place for schools.

End of term performances

As usual, EYFS will be performing their Nativity at the end of the term. They work so hard through Term 2 preparing this for the rest of the school and parents. More information with regards to dates and times will come out for the parents of reception children next term.

Parking

Please be considerate of our neighbours when parking to drop children off in the mornings and picking children up. If it is not safe to do so, please do not park there.

Please also do not block our neighbours' drives, they need access to these at all points of the day. Please see the attached map for safe places to park. It would be even better if you can either walk, bike or scooter to school. We have places for scooters and bikes to be kept safely on site.

Parent Survey

Have your say! We want to hear your views about the school. It will only take 5 minutes but by answering the survey, we get to hear about how you feel and what you think we can do to improve. Please follow this link to complete:

Lastly, we hope you have a fun filled and action packed half term and we look forward to seeing you all on Tuesday 2nd of November.

Thank you for your continued support.
