

Design and Technology

1. Plan, design and make a bridge to hold all three Billy Goats. Remember to capture your designs first and photograph your finished design.

10. Write a book review of one of your favourite Traditional Tale

Remember to tell me:

The title of the book, why you liked the book and what happened in the book.

9. Read lots of different Traditional Tales. Here is a list of a few:

Aladdin, Beauty and the Beast, Cinderella, Goldilocks and the Three Bears, Hansel and Gretel, Jack and the Beanstalk, Rapunzel, Rumpelstiltskin, Little Red Riding Hood, Sleeping Beauty, Snow White, The Gingerbread Man, The Three Little Pigs.

Write which ones you have read in your reading log.

Design and Technology/ English

8. Create a troll trap outside to catch the troll. Write a set of instructions called How to Catch a Troll.

Design and Technology

2. Create a diorama for The Billy Goats Gruff story.

The Three Billy Goats Gruff

Art/ English

7. Create masks for the main characters in the story and act out the story. You can even take photos or video your story and send it in!

Science/ Design and Technology

3. The Billy Goats Gruff can't cross the bridge. Can you make a raff from recycled materials that will float them across?

English

4. Write a set of instructions to make the raff you created that floats for the Billy goats gruff.

Remember to add a title, list of materials and use those imperative verbs to instruct people what to do!

English

5. Create a wanted poster for the Troll. Explain what they are wanted for, draw a picture of them and describe what they look like.

Computing/ English

6. Use Purple Mash to create an animated tale of The Three Billy Goats Gruff story. Make sure you add the pictures and write the story as you go. Remember to use adjectives and verbs in your writing.
