

25th September 2019

Dear Parents/Carers

THE SPACE DOME IS COMING TO GRANGE INFANTS SCHOOL!

As part of our 'Voyage to Discovery' topic this term we are learning about space. On Friday 11th October, Year 2 will be able to experience a 360° space dome where they will be able to go inside, hold artefacts, watch amazing videos about space and the moon, and ask an expert the many questions that they may have whirling around in their head. We believe this will be a fantastic opportunity for them.

We would kindly ask for a donation of £4.60 towards this activity. This can be paid via Schoolmoney by Wednesday 2nd October.

Many thanks,

Year 2 Team
