

History/ English

1. Write a fact file on Mammoths. Remember to include a description and all the information that relates to their life and when they lived.

10. Compare and contrast Mammoths and Elephants. Use drawn pictures, which are labelled, to compare the similarities and differences. Write these in a list. Include facts about both animals.

9. Create a miniature museum exhibit of Mammoth artefacts using clay, models, art work etc. Write an information card about each item in your museum. You could take photos or video your creations to share with us.

English

8. Write an eyewitness view of a Mammoth hunt from either the perspective of the Mammoth or the perspective of the hunters. Research how Ice Age hunters hunted these hug creatures using books and/ or the internet.

Design and Technology

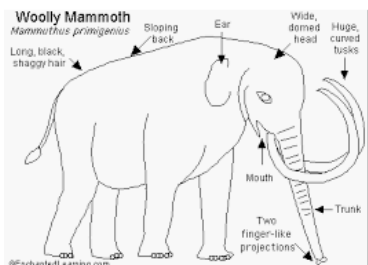

2. Make a Woolly Mammoth out of recycled materials.

Mammoths

Art/ English/ History

3. Draw and label your picture of a Woolly Mammoth.

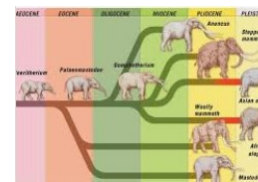

English

4. Write a set of instructions to show how you have made your Woolly Mammoth from recycled materials. Remember to use imperative verbs and commands.

History

5. Create an interactive timeline of this period in history. You can add flaps, 3D objects, pop-ups etc Make sure you include 8-10 dates for your timeline.

English

6. Create an informative acrostic poem about Mammoths and this period of history using the phrase 'Mighty Mammoths'. Decorate with a border.

1. False

Woolly mammoths lived ten million (10,000,000) years after the dinosaurs had died.
