

EYFS Newsletter

Dear Parents/ Carers,

This term our topic is called 'Tell us a Story...' The children will be learning through three main stories, The Little Red Hen, The Three Little Pigs and Goldilocks and the Three Bears. Children will learn these stories with actions and begin to write their own simple versions of the story. In maths, children will focus on numbers from 11-20, securing our knowledge of teens numbers, being able to explain what each digit represents. Your child will be able to talk about 15 being 10 and 5 ones and so on. Children will be learning simple addition and subtraction and exploring capacity and weight. When developing understanding of the world, your child will be following instructions to make a bread roll and considering which materials are best suited to a specific task. During PSHE sessions children will learn about keeping healthy with regards to food choices, exercise and getting plenty of sleep! Thank you

This term our value is: Resilience.

Resilience is never giving up even when things get tough, trying even if you're not sure you'll succeed and having the courage to come back from a failure.

Key Dates for EYFS

7.3.19—World Book Day—dress up day

7th to the 12th—book fair in school

4th—11th—book share week

25.3.19—Art project

26.3.19—Parents Evening

27.3.19—Parents Evening

2.4.19—Strings Road Show

2.4.19- Make a Noise Concert—2.30pm

3.4.19-Make a Noise Concert—8.45am

Homework

Homework will be given out on a Monday each week. Children will be asked to practise the new sounds and tricky words we have been learning in class and the teens numbers that we have focused on. Please can you also read with your child at least 5 times a week and record it in their reading logs. Thank you.

PE Provision

All pupils will require PE kits in school during the week. Premier Sports will deliver a gymnastics focus lesson on Thursday mornings and children will be learning how to balance, stretch and roll using different parts of their bodies.

English

Children will learn how to:

- * recall a simple repetitive story.
- * Use actions and role play to retell a story.
- * Write simple versions of the story.
- * Use their phonic knowledge to write sounds and simple sentences.

Understanding of the World

Children will learn:

- * how bread is made, growing wheat, grinding seeds to make flour.
- * which materials are the best for building houses and which materials would be good to make a chair.

Technology

Children will be taught to:

- * search for games and apps they enjoy.
- * access phonics games and apps on the Interactive White Board.

Tell us a story...

Physical Development

Children will be taught to:

- * develop scissor skills.
- * work on pencil control and handwriting to form correctly formed letters.
- * develop our gymnastics skills.

Creative Development

Children will be taught to:

- * play collaboratively as part of a group to act out a story or narrative.
- * select appropriate materials to create a planned effect.

PSHE

Children will be taught:

- * how to make healthy choices with food, exercise and sleep.
- * to talk about how they and others can get along and negotiate problems.

Maths

Children will be taught to:

- * recognise numbers from 11-20.
- * understand that teens numbers are made up of 10 and 1, 10 and 2 etc.
- * add and subtract using objects.
- * explore capacity and weight in practical ways.
