Dear Parents/ carers,

Welcome back to term 3. I hope that you have had a fabulous and restful break over the Christmas period and have enjoyed a lot of family time together. I can't believe we are already part way through week 3! My first few weeks has certainly whizzed by. I have been so impressed over the last three weeks on how settled and focused the children have been and how willing they are to show me their work, as well as how superbly smart they look in their uniforms.

Our assemblies this term will focus on how we can do little things in school that will make a big difference to those around us. Some of things that the children have already suggested that they want to do in school are: Smile more, play with others nicely, give hugs, help others on the playground and work really hard this term. We have also appointed 3 head girls and 3 head boys from our year 2 classes as well as our newly formed school council. They are very proud to have been selected by their peers and have already started giving me their ideas of the school. Our first meeting is on Monday where we will be discussing what the children want to improve in the school.
